Reign of Kalakaua King.

Meeting of the Privy Council held at Iolani Palace on Thursday, September 30th 1875.

Prayer was offered by Mr. Castle at the request of His Majesty. Reading of Minutes of last Meeting deferred.

Petition read from Kahalelepo who is under sentence of death to have his sentence Commuted to imprisonment for life.

The Attorney General could not recommend the prayer of the petition to be granted, there were no extenuating circumstances. The evidence showed that it was premeditated, and done deliberately.

His Ex the Minister of Finance spoke in favor of Kahalelepo, and said from information he had received and gathered this was not a case of premeditated Murder. It is true the man had previously threatened to kill his brother, just as we hear such threats amongst half drunken boat boys, that the knife he used was one that anyone might usually carry in his pocket, that Mr. Greenwell from Kona.

who had examined into the case, did not look upon it as a case of premeditation.

The Attorney General remarked that Mr Greenwell was examined and might have stated these circumstances, but the Minister of Finance said that Mr. Greenwell told him he was not asked.

Judge Harris said that the man had not asked for Counsel, and did not seem to know his rights, said that no one seemed to take any interest in trials when even a mans life was in jeopardy.

The Man took no care of his own case but trusted to the Aupuni. Was opposed to Capital punishment. Judge Harris offered the man to get him Counsel and send for Witnesses. There was no interest taken in this important trial by the Population. Asked the boy if he had anything to say. Said no. but wished the execution to take place quickly. There will be no excitement about Kahalelepo's Execution in this town, a curious Symptom. there have been seven arraignments and three Convictions for Murder within a few months.

Proposed the following resolution.

Resolved, That His Majesty grant a reprieve to Kahalelepo until the third Friday in January, the object being to reexamine this Case with a view to seeing if any Circumstances could induce the Judges to recommend a Commutation of his sentence.

Mr. Carter did not quite agree with the views Expressed by Judge Harris in this Case, did not like the idea of the Courts being appealed from in all Cases.

Mr. Castle agreed to some extent with Mr. Carter, does not consider that because he does not attend a trial he does not take an interest in it.

Reign of Kalakaua King.

He seconded the motion to reprieve.
Judge Allen also approved of the reexamination.
He approved of Capital Punishment, but thought it should be acted upon as seldom as possible.
Judge Harris would send for people who had anything to say on this subject.

Judge Judd approved of the Resolution did not like to form an opinion on the point until he had more information. did not think it advisable to do away with Capital Punishment. and we should be very Cautious in granting Commutations unless for Good reasons.

Mr. Carter did not think it adirsable to question whether a law should be carried into effect.

Judge Harris explained that this was not what he meant. He merely wished a reprieve to Consider the Case.

Mr. Rhodes. thought the Motion a good one. mercy was mentioned in the Prayer. we shall find we ought to re-examine this case.

The Resolution was put and Carried unanimously.

The Attorney General presented a Petition from Kahuahine for pardon. Convicted of distilling liquor. is old (70 years) and blind. never made liquor. but was induced to plead guilty because certain parties promised to pay his fine.

The Attorney General does not know the merits.

Judge Judd. moved that both these cases be referred to the Judiciary Committee. Carried unanimously.

Judge Harris brought forward the following Resolutions respecting the death of His Excellency P. Nahaolelua

Whereas. Since the last meeting of this Council, intelligence has been received of the death of the Honorable P. Nahaolelua, at his Residence at Lahaina, Island of Maui, on the 22nd

Prayer was read by Hon S. N. Castle.
The Minutes of the last meeting held at Iolani Palace, November 11th 1876 were read and approved.
His Ex W. L. Green reported to the Council that he had received a letter from Hon H. A. P. Carter, resigning from the Commission, appointed under "An act to aid in developing the resources of the Country."
Hon H. M. Whitney was appointed on that Commission in his place. The Commission now consists of His Ex W. L. Green, Hon A. A. Wideman and Hon H. M. Whitney.
His Ex the Minister of the Interior, after expressing himself against the policy of selling the Government lands in the city of Honolulu, moved to reconsider the action of the Council at its

Reign of Kalakaua King.

last meeting, in regard to the sale of the three lots, at the corner of Nuuanu and Queen streets.
the motion was seconded by Gov. L.M. Kapena.
His Ex D.L. Green regretted that he had brought forward the Resolution at the last meeting, since he now, for the first time, was made aware of the views of the Minister of the Interior. Their Honors C.C. Harris and A.F. Judd, both were of the opinion, that it was not necessary to reconsider the Resolution, as it was simply giving Consent to the Cabinet to sell or lease or not, as they saw fit. After considerable discussion among the different members. His Ex the Minister of the Interior withdrew his motion.
His Ex the Minister of the Interior asked the Consent of the Council to sell the land called Kamalomalo, Puna Kauai. The Attorney General put in the following Resolution.
Resolved, that the Consent of this Council be given to Authorize the Sale of the land of Kamalomalo Puna, Kauai. Hon A.A.P. Carter proposed the following amendment, "provided that the lease be agreed to be given up on the day of sale," which was accepted, and the Resolution passed as amended.
The Minister of the Interior presented to the Council a petition from Hon C.R. Bishop and others, for a charter for a Company, to be styled, "Hawaiian Agricultural Company." also, a petition from R.O. Janion and others, for a charter for the "Honolulu Iron Works Company." also, a petition for a charter, from Hon A.S. Cleghorn and others for a charter for the "Kapiolani Park Association."

Reign of Kalakaua King.

These charters were referred to the usual Committee and to examine into and if found in proper form, to be granted by the Minister of the Interior.

Under Section 167 of the Civil Code, Mr R. Lishman was appointed Superintendant of Public Works, by His Majisty in King Council.

His Ex. J. S. Walker read section 7. of an Act "to regulate the currency," approved September 19th. 1876. in regard to placing a duty of ten per cent. upon the importation of Silver Coins into this country.

After the matter had been discussed at length, Hon C. W. Castle moved that a Committee of five be appointed by His Majisty, to take this matter into consideration, and report at some future time.

His Majisty appointed, Hon C. W. Castle, Hon. C. R. Bishop. Hon J. M. Smith. Hon A. P. Carter Hon J. S. Walker on this Committee

The Secretary read the report of the Committee to whom was referred certain petitions, as follows,

The Undersigned the Committee to whom was referred certain petitions beg leave to report thereon respectfully, as follows.

We find the charter of "The Foreign Religious Society of Makaroa," as applied for by Geo. E. Beckwith, N. St Sayre, and others, to be in form, and recommend that it be granted.

We recommend also that a charter be granted to the Protestant Church at Ewa, Oahu, but as the form presented by the petitioner seems to be somewhat defective, we recommend that the

Reign of Kalakaua King.

Minister of the Interior issue the charter in conformity with other charters previously granted to similar organizations.

The Petition of Puniai (K) Kaaiaaiaole and Kapoo of Kahakuloa, Kaanapali Maui asks that they be severaly pardoned, and restored to their civil rights. It appears that these men were convicted of larceny of Animals in 1867, and that they were discharged from prison, having worked out their terms of sentence. Their petition is indorsed by many respectable citizens of Kaanapali and adjoining districts, and recommend that its prayer be granted. (Signed) C. C. Harris.
